1240-4-3-.01 Scope and Purpose.

- (1) Scope of Rules. These rules are applicable to the licensing of child care centers that care for thirteen (13) or more children, ages six (6) weeks—seventeen (17) years of age for less than twenty-four (24) hours per day as defined by T.C.A. §§ 71-3-501 et seq. Any conflict between this Chapter and any other rules of the Department concerning the licensing procedures and regulations governing child care center standards and licensing and appeal procedures for child care centers shall be resolved by reference to these rules.
- (2) Purpose of Licensing. The primary purpose of licensing is the protection of children. These minimum requirements seek to maintain the adequate health, safety, and supervision of children while in a group care setting. The secondary purpose of licensing is to promote developmentally appropriate child care.

Authority: T.C.A. §§ 4-5-202; 71-1-105(5); 71-3-501 et seq.; 71-3-502(a)(2).

- (11) Child Care Center. "Child care center" means any place or facility operated by any person or entity that provides child care for three (3) or more hours per day for at least thirteen (13) children who are not related to the primary caregiver; provided, that a child care agency shall not be classified as a "child care center" that operates as a "group child care home" and keeps three (3) additional school-age children as permitted in subdivision (27); provided, further, that all children, related or unrelated shall be counted in the adult-to-child supervision ratios and group sizes applicable to child care centers; with the exception, that if the child care center is operated in the occupied residence of the primary caregiver, children nine (9) years of age or older who are related to the primary caregiver will not be counted in determining the adult-to-child supervision ratios or group sizes applicable to child care centers if such children are provided a separate space from that occupied by the child care center. The Department may permit children in the separate space to interact with the children in the licensed child care center in such manner as it may determine is appropriate.
- (12) Child Care Agency. "Child care agency" or "agency" means, and only where the context requires in any other provision of law:

- (18) Developmentally Appropriate. Practices which use a knowledge of child development to identify the range of appropriate behaviors, activities, and materials for a specific age group. This knowledge is used in conjunction with an understanding about individual children’s growth patterns, strengths, interests, and experiences to design the most appropriate learning environment. A developmentally appropriate curriculum provides for all areas of a child’s development, physical, emotional, social, and cognitive, through an integrated approach.
- (19) Director. The on-site manager for the agency who has overall responsibility for the daily oversight of all staff and direct child care services.
- (20) Drop-In Child Care Center. A place or facility operated by any person or entity providing child care, at the same time, for fifteen (15) or more children, who are not related to the primary caregiver, for short periods of time, not to exceed fourteen (14) hours per week and for not more than seven (7) hours per day for any individual child during regular working hours, Monday—Friday 6:00 a.m. to 6:00 p.m.; provided, however, that a drop-in center may provide such child care during evenings after 6:00 p.m. and weekends, Friday, 6:00 p.m.—Sunday, 10:00 p.m., so long as the drop-in center provides no more than a total of twenty (20) hours per week, exclusive of snow days, defined as days when the school of the affected child is closed; provided, further, that drop-in centers may provide such care during snow days; provided, however, that, notwithstanding any other requirements of this part, training requirements for the staff of this class of child care agency shall be limited to basic health and safety precautions and the detection and reporting of child abuse and neglect for children in care; provided, further, that, notwithstanding any other provision of this chapter to the contrary, drop-in centers operated by not-for-profit organizations that provide child care for no more than two (2) hours per day with a maximum of ten (10) hours per week without compensation, while the parent or other custodian is engaged in short-term activities on the premises of the organization, shall register as providing casual care and shall not be deemed to be a drop-in center or regulated as a drop-in center.

 - (c) All or any part of the license may be revoked at any time upon thirty (30) days notice to the licensee; or if the health, safety, or welfare of the children in care imperatively requires, the license, or any part of the license, may be suspended immediately.
- (2) Exemption from Licensure.
 - (a) A child care agency claiming an exemption pursuant to T.C.A. § 71-3-503 shall submit to the Department's licensing director, or designee, a sworn, written request for exemption in such manner and form as the Department may require. - (8) Terms of the Temporary Licensure Period.
- (a) The temporary license shall remain in effect, unless suspended, for a period of one hundred and twenty (120) days, or until such time as the Department grants or denies the application for an annual license, whichever is later.
 - (b) During the temporary licensure period the licensee must attain and maintain compliance with all applicable licensing regulations. The failure to obtain and maintain such compliance during this period may result in the denial of the application for an annual license.

(10) Re-Licensure Evaluation Process.

- (a) Agencies currently licensed by the Department must submit an application for re-licensure prior to the expiration of the existing license. The failure to submit a complete application prior to the expiration of the current license shall result in the automatic termination of the annual license upon the expiration date, and a new application for a temporary license will be required.

Any child with a positive tuberculin skin test shall be referred to a physician for evaluation. After the initial evaluation, future periodic screening is not required unless the child develops persistent pulmonary symptoms or there is contact with tuberculosis.

- (a) Staff health records shall be maintained as directed under subchapter 1240-4-3-.05.
- (b) A statement of mental or emotional health shall be obtained from a psychiatrist or clinical psychologist when deemed necessary by the Department.

- (a) Duty to Report.
 1. Every operator, owner, licensee, director, or staff member of, or substitute staff member or volunteer in a child care agency licensed by the Department of Human Services is individually responsible, and is required by Tennessee Code Annotated, §§ 37-1-403 and 37-1-605, to immediately report any reasonable

suspicion of child abuse or neglect to the Department of Children's Services, local law enforcement or the judge of the juvenile court in the county of the child's residence.

2. Determining Suspicion of Abuse/Neglect.

- (i) Due to both the immediate risk to children's safety, as well as to the extreme risk of destroying or losing critical evidence, the agency and/or individual staff shall not delay reporting possible abuse or neglect in an attempt to conduct an investigation to verify the abuse/neglect allegations.
- (ii) In determining a reasonable suspicion for purposes of reporting, the agency shall limit questioning of the child and may make only the most basic inquiries necessary to determine if any reasonable possibility of abuse or neglect exists.
- (iii) The agency does not have to, and shall not attempt to, validate (or "prove") the allegation prior to making a report as required by this paragraph (18). A final determination of the validity of the report of abuse or neglect shall be made exclusively by the Department of Children's Services and/or by law enforcement based upon the report by the child care agency's staff.

3. Each center shall develop procedures, approved by the Department of Human Services in conformity with DCS policy, for staff to follow to report suspected abuse and neglect.

4. Any statement from a child reasonably indicating abuse/neglect of that child or another child or any evidence of abuse/neglect observed on a child shall be immediately reported by staff to the Department of Children's Services in a manner specified by that department, to local law enforcement or to the judge of the juvenile court in the county of the child's residence.

(b) The telephone numbers of the Department of Children's Services, the local law enforcement or the juvenile judge of the county of the child's residence for staff to call to report suspected abuse and neglect shall be posted in a conspicuous location by each telephone.

(c) Prohibited Procedures for Reporting Suspected Child Abuse/Neglect/Penalties.

- 1. The agency shall not develop or implement policy that inhibits, interferes with or otherwise affects the duty of any staff, including substitutes and volunteers, to report suspected abuse or neglect of a child as required by subparagraph (a) above and Tennessee Code Annotated, §§ 37-1-403 and 605, and shall not otherwise directly or indirectly require staff to report to the agency management or seek the approval of agency management prior to any individual staff member reporting the suspected abuse or neglect.
- 2. A report of suspected child abuse or neglect of a child enrolled in the child care agency by the operator, owner, licensee, director or staff member of, or substitute staff member or volunteer in, a child care agency shall not be made to any other entities or persons, including, but not limited to, hospitals, physicians, or educational institutions as an alternative to or substitute for the reporting requirements to the persons or entities specifically listed in subparagraph (a) above.

3. The operator, owner, licensee, director, or staff member of, or substitute staff member or volunteer in, the child care agency shall not suggest to, advise or direct a parent or caretaker of a child enrolled in the child care agency to make a report of suspected child abuse or neglect regarding that parent's or caretaker's own child who is enrolled in the child care agency as a means of fulfilling the duty of the operator, owner, licensee, director, or staff member of, or substitute staff member or volunteer in, the child care agency to report child abuse or neglect as required by Tennessee Code Annotated, §§ 37-1-403 and 37-1-605.
4. Because the statutory requirements of Tennessee Code Annotated, §§ 37-1-403 and 37-1-605 do not authorize the prohibited procedures described in parts 1-3 of this subparagraph (c) to fulfill the statutory duty of any person, and especially the duty of those licensed by the State of Tennessee to care for and protect vulnerable children, to make timely and effective reports of child abuse and neglect to appropriate investigative agencies, and because the prohibited procedures described in parts 1-3 of this subparagraph (c) are completely unreliable procedures to ensure that the appropriate authorities are able to timely and satisfactorily investigate suspected child abuse or neglect, any action that does not comply in all respects with subparagraph (a) above, will not fulfill the statutory duty to report child abuse or neglect and the licensing requirements of this Chapter.
5. Failure to Report Properly Is Grounds for Suspension, Denial or Revocation of the Agency License.
 - (i) Failure to make the reports required by subparagraph (a) above or the use of the prohibited methods described in parts 1-3 of this subparagraph (c) as an attempt to fulfill the duty to report suspected child abuse or neglect, for children in the care of the child care agency are, by themselves, grounds for suspension, denial or revocation of the agency's license.
 - (ii) If the facts establish by a preponderance of the evidence that there has not been strict compliance with the requirements of subparagraph (a) above or that the prohibited procedures described in parts 1-3 of this subparagraph (c) have been utilized as an alternative means of fulfilling the requirements of subparagraph (a) above, these circumstances shall create a rebuttable presumption for the Administrative Law Judge and the Child Care Agency Board of Review that the duty to report child abuse or neglect has not been fulfilled, and this ground for suspension, denial, or revocation of the agency's license by the Department of Human Services shall be sustained unless such presumption is rebutted by a preponderance of the evidence.
- (d) Agency Duties During Investigations of Child Abuse and Neglect; Custodial Authority of Children.
 1. Every operator, owner, licensee, director, or staff member of, or substitute staff member or volunteer in, a child care agency licensed by the Department of Human Services shall fully cooperate with all agencies involved in the investigation of child abuse or neglect, and with the Department of Human Services in efforts to provide protection for children enrolled in the child care agency.
 2. The agency shall provide access to records of children and staff.

3. The agency shall allow appropriate investigators to interview children and staff.
 4. The agency shall not interfere with a child abuse and neglect investigation.
 5. The agency shall protect the child by requesting the investigator's identification.
 6. The agency shall maintain confidentiality of the investigation and shall not disclose the investigation or details of the investigation except as required to carry out procedures for the protection of children or as otherwise directed by the Department of Children's Services, law enforcement or the Department of Human Services.
- (e) Upon notification of a pending abuse/neglect investigation of any agency staff member or resident of a home-based center, the agency shall enter into a Safety Plan with the Department regarding the individual's access to the agency and to children in the care of the agency.
 - (f) All agency staff, including non-caregiving staff, shall receive training every six (6) months regarding procedures to report child abuse and neglect.
- (19) A parent shall be notified before the child leaves the premises except in emergency circumstances, except that an authorized investigator with the Department of Children's Services or local law enforcement may take a child off the premises of the agency if he/she has obtained custody of the child as follows:
- (a) Voluntary placement agreement with the parent;
 - (b) Court order;
 - (c) Emergency assumption of custody under T.C.A. §37-1-113 without parental permission;
 - (d) If the child's parent or legal guardian is present and approves; or
 - (e) In conjunction with investigative procedures under the child abuse laws.

Authority: T.C.A. §§ 4-5-201 et seq.; 37-1-113; 37-1-401 et seq.; 37-1-403; 37-1-601 et seq.; 37-1-605; 39-17-1601 et seq.; 71-1-105(5); 71-3-501 et seq.; 71-3-502(a)(2); 71-3-508; and 20 U.S.C. § 6081 et seq.

Violation of this rule may result in suspension, revocation or denial of the agency's ability under its license to provide infant care.
- (f) To avoid choking, foods shall be appropriate for the eating and chewing abilities of children. Hotdogs, if served to preschool children, shall be finely chopped or quartered lengthwise because they swell if trapped in a child's throat.
